### TORONTO AFTER DARK:

IMAGES FROM THE CITY OF TORONTO ARCHIVES

The 2007 *Toronto After Dark* desk calendar is a selection of images from the City of Toronto Archives that explores Toronto's past as seen through a nighttime lens. From a deserted, snow-covered street, to teenagers at a Maple Leaf Gardens concert, to a doorman standing alone outside a nightclub entrance, these photographs capture the mixture of tranquility, exhilaration, and isolation that characterizes the city by night.
