The Student's Perfect Forum

HealthAchieve is one of North America's largest and most-respected health care conferences and exhibitions. It is a must-attend event for the entire health care community, including future leaders like you.

HIGHLIGHTS

Access to the Exhibit Floor – so you can check out companies showing off the latest health care innovations and talk to them about career opportunities.

Access to all HealthAchieve general sessions for your chance to hear:

- **Jeremy Gutsche**, Founder of Trendhunter.com speak on ways to spark innovation
- **Michael J. Fox**, O.C., Parkinson's Activist and celebrated Actor share his life experiences on how real learning happens when life goes skidding sideways
- **Dr. Izzeldin Abuelaish**, Author of the bestselling book, "I Shall Not Hate" share his beliefs on health being an engine for the journey to peace
- **Derek Foster**, Author of the bestselling book "The Idiot Millionaire" speak about the "idiot-proof" investment strategy that works for anyone
- **Eric Meerkamper**, President of DECODE, speak on how to engage future leaders and drive innovation
- **Paul Huschilt**, award-winning Speaker and Storyteller share ideas on workplace and personal wellness
- And many more...

All for just \$25!
