

**LOOKING FOR A 3.00 Credit COURSE?**

**HOW ABOUT:  
Science, Technology, and Public  
Policy**

**AP/PPAS 3120 3.00 A ~ Fall 2011**  
**Lecture: Tuesdays 11:30am - 2:30pm**  
**Instructor: Prof. Soren Fredricksen**

**Course Description:**

This course examines the role of science and technology in policy-making. The course focuses on difficulties faced by legal, administrative and political policy-makers when they are required to make decisions based upon scientific information, as well as discussing more general topics in science, technology, and public policy.
