

# WE'RE RECRUITING

Join our 2021-2022 Executive Team!

## WHO WE ARE

We are an entirely student-run initiative at York with the mission of supporting student mental health through evidence-based experiential workshops culminating in a student-centric academic conference in March 2022.

## WHAT YOU GAIN

- Leadership experience working in an executive student team
- Skill development in the areas of research evaluation, content development, event facilitation, promotions, and organization
- The opportunity to be part of a research-focused mental health outreach initiative run by a small team of passionate students

## AVAILABLE POSITIONS

- Co-Director
- Research & Content Coordinator
- Organization & Conference Coordinator
- Social Media & Promotions Coordinator
