

# SHPM STUDENTS LOOKING FOR CAREER READINESS SKILLS

You may be eligible to participate in a health-sector applied project with the Toronto Grace Health Centre

## Participating students will:

- Complete a weekly 10-hour CSL field placement at the Toronto Grace Health Centre from October to April.
- Work alongside professionals in the health field, gain work experience and build professional networks.
- Gain a 6.0 course credit in Health Studies

## You can potentially support projects in:

- Strategic Planning
- Quality Risk & Patient Safety
- Health & Human Resources

## To participate you must enroll in HLST 4900 6.0 for Fall/Winter 2023-2024:

1. Complete the [Seeking Course Permission form](#) by **July 27, 2023**.
2. Students granted permission will be notified by the School of Health Policy and Management

**Enrollment is open!**

Gain valuable technical and transferable skills through 'real' work experience.
